Board Report #425
November 15, 2021

**BOARD TO CONSIDER APPROVAL OF
FISCAL YEAR 2023 LOCAL FUNDS REQUESTS**

Report:

The college is submitting to the board for approval its recommended locality funds requests for FY 2023 so that those requests may be sent to the localities in January 2022.

Due to the decline in state funding for capital projects, the college has focused upon increasing its local funds balances in order to build a reserve to accommodate future capital projects without the necessity of state appropriations. This has proven to be beneficial, as the college needed substantial local funds for the Manufacturing and Engineering Technologies Complex renovation project.

The college requested a five percent increase in local contributions for fiscal year 2022, which was denied by all three jurisdictions. The college proposes to request a five percent increase in local contributions for FY 2023, as shown on the attached exhibit.

Recommendation:

It is the recommendation of the college administration that the Board approve the locality funds requests for fiscal year ending June 30, 2023.
